

While Bay Area locals will tell you summer doesn't start till September, these upcoming business and tech events are definitely bringing the heat. Take advantage of those summer hours and casual Fridays to catch up on the latest in your industry, or just learn something new. From how to pitch your business plan to "greening" your company, Eventbrite's got you covered.

Business Leaders Love Eventbrite! Tier your tickets based on time, date, price. Monitor the status of invitations and ticket sales easily. SO easy, your grandma could do it!
